8 GOOD REASONS

FOR CHOOSING MARTIGNANI
KWH SYSTEM MIST BLOWERS

THE ONES WITH
THE GUARANTEED
QUALITY SEAL

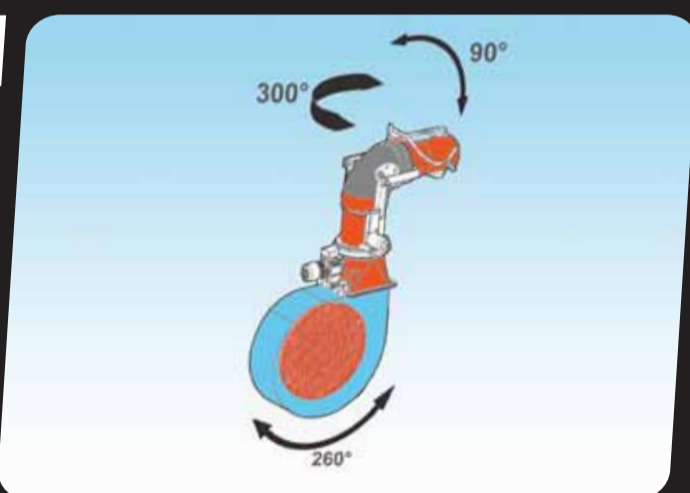

1 FINE and UNIFORM DROPLETS produced with a SINGLE type of PNEUMATIC NOZZLE. Longer operating autonomy.

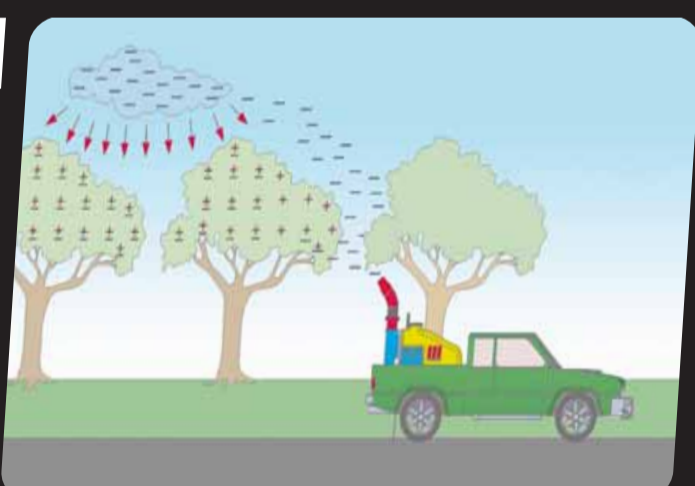

2 ULTRA-HIGH EFFICIENCY CENTRIFUGAL BLOWERS with an exclusive design. Unbeatable Spray Swaths.

3 PRECISION fluid FLOW REGULATOR with MICROGRADUATED SCALE. Increased Chemical Saving.

4 SPRAY GUN with THREE STANDARD ELECTRICAL MOVEMENTS. UNIQUE feature! Versatile use.

5 The FIRST in EUROPE to introduce the ELECTROSTATIC CHARGING device (patented). The ONLY ONE tested worldwide by eminent RESEARCH INSTITUTES with PUBLISHED results.

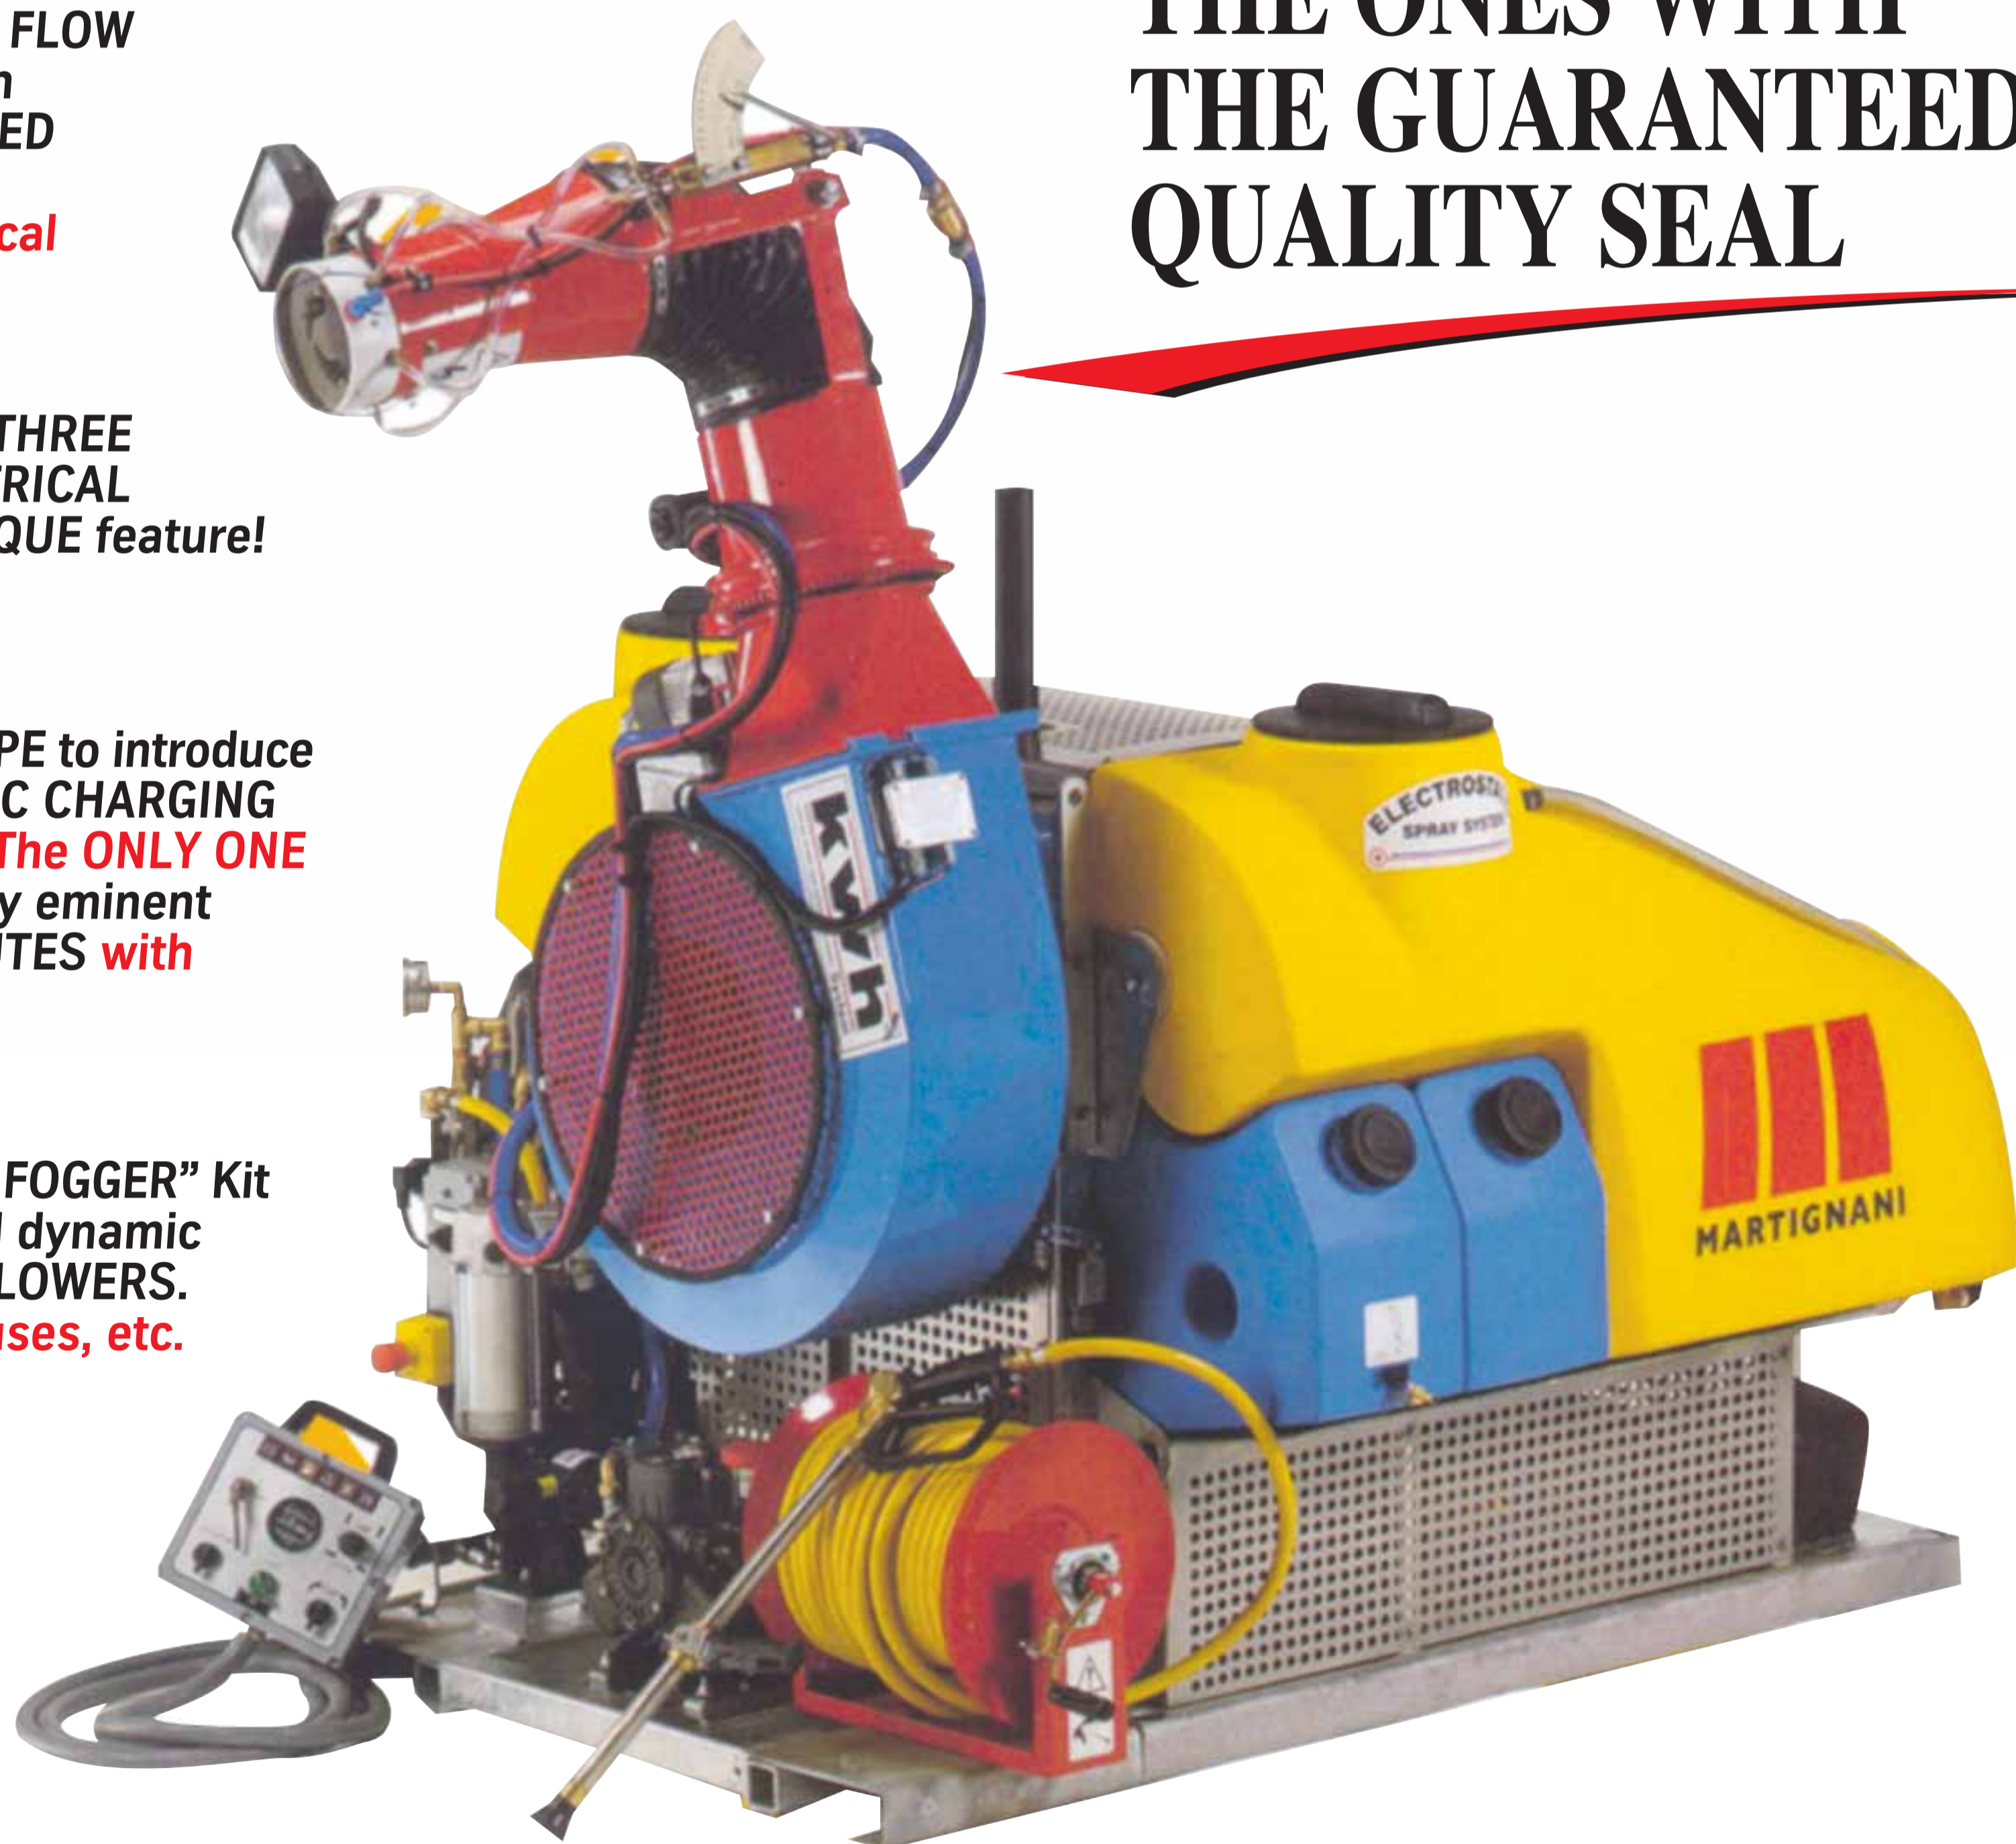

6 Built-in "POWER AIR FOGGER" Kit (patented) with fluid dynamic action of the KWH BLOWERS. For sewers, warehouses, etc.

7 ULV NOZZLE (Ultra Low Volume) for adult insects pest control, locust fighting, etc.

8 The ONLY ONE with an alternative FAN BLOWER head able to apply continuous and uniform treatments in an adjustable range breadth. Specifically produced for hedges and shrubs.
